a strong Learning Development Department and the new section of the IGCSE.

Our Mission

Our mission is to create a well-equipped qualified generation of pro-active “life makers” who possess the noble qualities of excellence in performance, creativity and maturity together with a strong sense of responsibility enhanced with outstanding self expression and problem solving skills.

Our mission is to nurture the minds of our sons and daughters, the men and women who will eventually shape the future of our Islamic country Egypt, and to develop their characters and bodies with all the elements of excellence and success in life and the hereafter.

We are all committed to the fulfillment of our mission in an Islamic oriented community, valuing the essence of our religion as the source of all knowledge on earth.

To undertake this mission, the school is provided with highly qualified teachers and supervisors, administering a rich and strong syllabus to match our idea of education (our ideals and our models).
